

Training in Evidence Based Biodanza programmes

BIONET develop and organize Evidenzbasierte Biodanza – Educations. TANZPRO is a Synonym for dance oriented (Tanzorientierte=german language) evidencebased programmes since 2010. It starts with a Prevention-Project of the German Ministry of Health (2007-2011), where we educated 20 instructors in TANZRPO Biodanza for children. We evaluated the training and the effects of the instructor work in kindergardens and schools.
